### The Listener's Program

With all the challenges and changes that our children face today, sometimes it helps to have someone to talk to. This is what the Listener's Program is all about. Does your child need a listener? Does your child want a listener? Truthfully, we could all benefit from meeting once a week with a trained volunteer, "just to talk". No pressure, no judgment, no strings, just a dependable and caring adult with your child's best interest at heart.

The listener program has been a successful part of MDCPS for over 30 years. The trained, level 2 volunteers have been successful in helping students understand the changes they go through, manage their responsibilities and meeting the challenges they face daily. .

If you think your child would benefit from this wonderful opportunity, contact their grade counselor. Please visit our website at <http://www.listenersprogram.org/>.

### Dial-a-Teacher
